Randolph High School Crackle

2003

Dedication

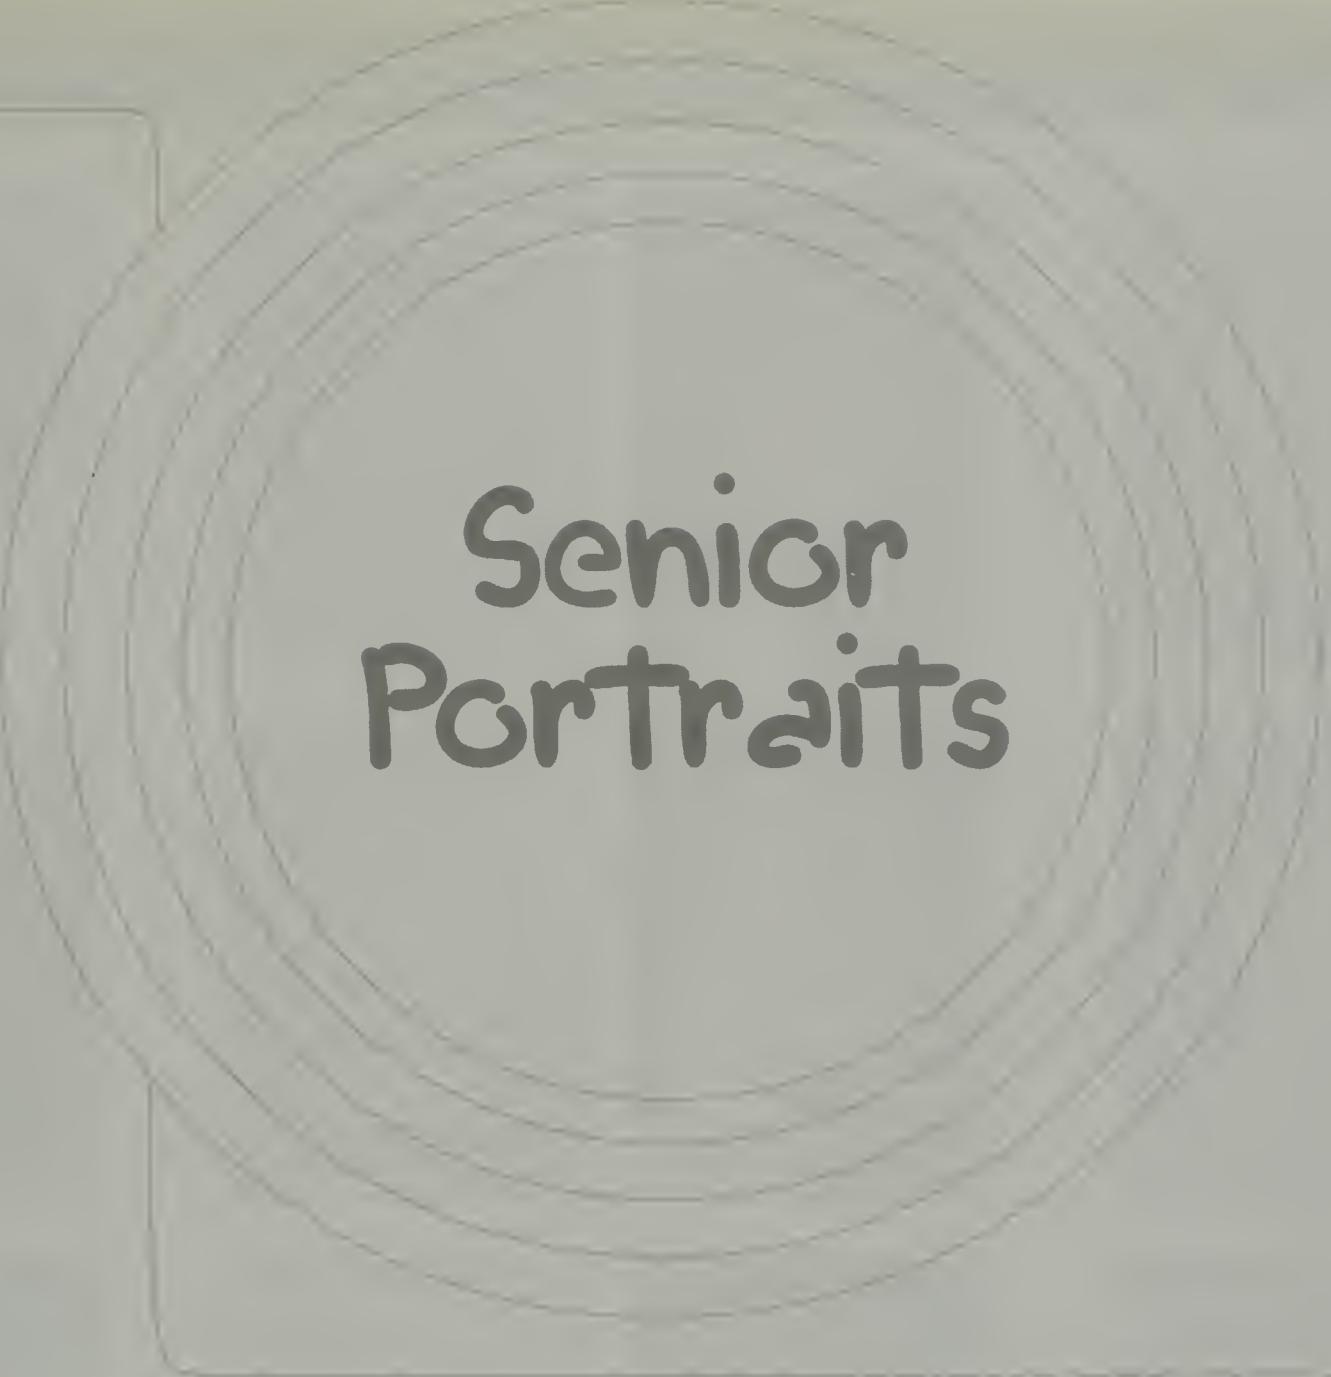

Garret Powell

There are only a few people who can find the energy after a long day to run miles. Mr. Powell is one of the few who is able and willing to do so, even after being sideswiped by a car during a race. Though many of us have heard the story numerous times, it is a story that sums up exactly who Mr. Powell is and what he is all about. Whether he is teaching sophomores in his honor algebra/trig. class, doing his "function aerobic" dance, preparing the cross-country for its next meet, or speaking at a student council meeting, Mr. Powell's energy and support radiate and inspire others.

Since 1969, the time he has invested in Randolph High School goes far beyond that which is

required of regular school teachers. His influence is evident in the faces of students and on the walls in each hallway. We hope that somehow, Mr. Powell's enthusiasm and stamina will continue to brighten and inspire Randolph High School students and Randolph High to be the best they can be.

Mr. Powell, whether it had been through track, Math, or Student Council, you have touched the lives of nearly all the graduating class of 2003. You are a great teacher, coach, and advisor but a great man. Your legacy here will be a positive one and will be kept alive by all of those whom you have touched we'll miss you.

Dear Class of 2003:

Congratulations to you and your family on your graduation from Randolph High School. Six years ago, you entered RHS as youngsters with mixed emotions of anxiety and trepidation as to what your future might bring. Today, after spending one third of your life at our school, you graduate articulate and confident young men and women.

Graduation day is one of great pride and joy as you are rewarded for your years of hard work. It is again a day of mixed emotions as you say goodbye to your familiar surroundings and long time friends to begin new challenges and adventures.

The town owes much to you as you have made great contributions to our school's reputation. You truly have left the school a better place.

On behalf of our entire faculty and staff, I wish you great success in the future and expect you will continue to pursue excellence. Best wishes and congratulations on a task well done.

To the Class of 2003:

Since the early days of public education, students have been expected to master the proverbial "Three R's: Reading, 'Riting and 'Rithmetic". In 2003, Randolph High School graduates must also successfully complete a program of studies that includes courses in social studies, science, computer technology, physical education, and health education. In addition, they must perform community service and for the first time, earn a competency on the MCAS examinations.

Kudos to each of you for meeting these requirements. The conferral of your diploma is evidence of your hard work, determination and willingness to go the distance.

Remember, however, that your journey through life will go on and that your challenge has just begun. As motivational writer John C. Maxwell has noted "Success is a continuing thing. It is growth and development. It is achieving one thing and using it as a stepping stone to achieve something else."

Congratulations on your current success and best of luck as you seek to find your place in the world.

Dear Class of 2003:

Having completed all the graduation requirements of Randolph High School, I would like to congratulate you, the Class of 2003. Your experiences at Randolph High School are not the beginning, nor the end, but a common piece we all share in our journey. As you face the next round of challenges that will inevitably come your way, rely upon your personal resources and the solid education background you have received here at Randolph High School.

The final days of senior year are very memorable; class day programs, barbecues, proms, yearbooks and graduation itself. Take the time to enjoy these activities and reflect upon the important years that lie ahead. Leave with pride, memories and experiences that have laid the foundation for a bright tomorrow.

I have enjoyed getting to know all of you. Remember the faces, the stories, the lessons and then friends you have made at Randolph High School. Keep moving forward, keep learning and may you find success and happiness in all your "walks" of life.

Something White...

Organizations

2003

AFRICAN-AMERICAN

Advisor: Mrs. Brown-Jones

The purpose of the African-American Club is to spread awareness of African, African-American, and Caribbean cultures. The club promotes cultural and ethnic diversity, acceptance, tolerance, and enlightenment of our school and community at large. Through this effort, The African-American Club hopes to influence the students of Randolph High School in a positive manner.

ASIAN CLUB

Advisor: Ms. Powers

The Randolph Asian Club strives to be a cultural resource for the community's diverse youth population.

It endeavors to learn about various cultures and to share that knowledge with others through creative

performances every year at Asian Night, with workshops and meetings that are open to anyone and everyone who would like to attend. Also, fun showcases display its individual achievements centered around strides taken to educate others.

Its main goal is to help banish stereotypes by embracing the world community and to label everyone under one title: Images of Humanity.

A CAPELLA CHOIR

Advisor: Mrs. Dandeneau

Its talented members must pass a prerequisite singing and theory test in order to be accepted into the class. Their performances have been as spontaneous as strolling throughout the school singing holiday songs for faculty and students as well as outside Shaw's Supermarket during Music Booster fundraising. The A Capella Choir works diligently at each practice in order to continually exceed the expectations of all it performs for.

AMNESTY INTERNATIONAL

Advisor: Mrs. Tower

"A letter written is a life saved." This is Amnesty International's theme. The phrase encompasses the goals of the organization, which is to help those who are wrongfully punished and to rally against tyranny and oppression. Amnesty International gives liberty and justice to people silenced by despotic governments. The club contributes numerous letters and petitions to Amnesty International USA, which are sent to government officials, generals, presidents, etc. It gives those who have been muted a voice so that they may speak and be heard.

S.A.A.R.V

Advisor: Mr. Brown

The Student Alliance Against Racism and Violence (SAARV) strives to gain a deeper understanding of how racism, sexism, classism, homophobia, and violence impact individuals and society and to empower students to act against these dynamics in their personal lives and in society at large. The Student Alliance accomplishes these objectives through bimonthly club meetings and the sponsoring of events such as movie/discussion nights, student workshops, the "Team Harmony" trip, and "World of Difference Week." The Alliance hopes that its efforts will enrich members' lives as they learn more about themselves and each other and also contribute to the creation of a more tolerant, peaceful, and just society.

SEPTEMBER 11TH MEMORIAL COMMITTEE

Advisor: Mrs. Foley

The September 11th Memorial Committee was formed by Randolph High School's students to recognize the tragedies of September 11th. The committee has raised over \$1,000 for both the American Red Cross and for a memorial in memory of all the victims of September 11th.

A.R.T.

Advisor: Ms. Carleton

A.R.T. (Aesthetic Restoration Team) is a group of students who meet on Fridays to paint murals as well as restore old murals throughout the school. The students also work on projects to improve the overall beauty of the school.

A.R.T. is comprised of some amazingly talented artists who spend weeks planning and designing a mural. With every mural it creates, the group hopes to make the school a little brighter and create a more pleasant atmosphere for learning.

PHOTOGRAPHY CLUB

Advisor: Mrs. Foley

The Photography Club is dedicated to capturing special memories and enhancing our artistic abilities with a camera. Through the use of photography, the club hopes to develop their own individual perspectives of the world around them.

MOCK TRIAL TEAM

Advisor: Ms. Lellock

The goal of Mock Trial is to help students develop their critical thinking skills, their understanding of the judicial process, and their ability to present themselves in a public and competent manner. The program places students in a simulated courtroom situation where they must assume the roles of lawyers and witnesses in a hypothetical case. Students learn about applicable case law as well as essential critical thinking and public speaking skills. The team practices throughout the Fall to compete in February against other schools. Team members devote many hours each week to prepare their competition materials.

THEATRE GUILD

**Advisors: Ms. Scoza,
Ms. Acevedo, Mrs. Dandeneau**

The Randolph Theater Guild is more than just a drama club, it is a way of life. Its members spend countless hours at rehearsals, theater exercises and fund-raisers all to make a "dramatic moment." All along, it has never been about the play, but the meaning of the audience's reaction to the players. Each member gives more than one-hundred and ten percent to see a show go off just right.

RHSTV

Advisor: Mr. Tavares

RHTV is Randolph High School's version of the morning news. Students perform all of the positions of a network newscast - news anchors, camera operators, sound mixers, and producers. During homeroom telecasts, student anchors notify Randolph High School of daily events, athletics, clubs, and recite the Pledge of Allegiance. Members also work in conjunction with Randolph Community Television to produce and develop town broadcasts and special events.

COMPUTER CLUB

Advisor: Mr. Edwards

The Computer Club is a team responsible for the maintenance and the fixing of all computers within the school. These highly-skilled students are able to diagnose, repair, and bring back online any system in use. Whenever there's a hardware or software malfunction these students are ready to monitor, troubleshoot and assist.

BLUE & WHITE BANNER

Advisors: Mr. Edwards, Mr. Deady

As a student-run organization, the Randolph Blue and White Banner is made possible through the hard work of dedicated writers and publishers who donate their free time to reporting the news that matters. The newspaper staff this year consists of approximately twenty active staff members of all grade levels as well as several free-lance writers. In order to produce an edition of the paper, the editors work with one another to make sure that all articles coincide with the Blue and White Banner's reputation of effective news reporting. This year the Blue and White Banner continues to uphold its mission of maintaining a tradition of journalistic excellence here at Randolph High.

LITERARY MAGAZINE

Advisor: Ms. McNitt

The Literary Magazine seeks to encourage and publish original voices from Randolph High School in poetry, short fiction, and prose. Its goal is to publish one to two compilations of student writing per year. Another important goal of the magazine is to further develop the craft of regular members through shared writing, dialogue about writing, and writing activities. Young writers are encouraged to develop their strengths and explore new types of writing with which they may be less familiar.

S.A.L.S.

Advisor: Mr. Letzring

The Student Academic Leadership Society (S.A.L.S.) consists of freshman who were members of the National Junior Honor Society. The members develop leadership and teamwork skills through their various activities designed to help the school and the community. The organization's mission is to provide its members with the experience necessary to meet the criteria for membership in the National Honor Society.

MATH TEAM

**Advisors: Mr. Turner,
Ms. DiMascio**

The Randolph High School Math Team competes annually in the Southeastern Mathematics League, made up of twenty-four schools. For the past nine years, Randolph has placed among the top five schools in the league, qualifying for the all-state competition in each of those years and placing as high as second at both the Massachusetts and New England Competitions in the medium school division. The 2002-2003 team continues in that tradition of excellence.

CHESS CLUB

Advisor: Mr. Christopher

Despite what many people think, chess is not a dull game. In actuality, it is a complex battle of strategy and wit in which players pit their intellects against one another. The Chess Club is dedicated to the game, not the win. It is all about testing one's skills and the enrichment that it can provide.

NATIONAL HONOR SOCIETY

Advisor: Ms. DiMascio

Scholarship, leadership, service and character are the four pillars of the National Honor Society which the members follow. The National Honor Society conducts monthly service projects to benefit the school and local communities. One of its major contributions is the recycling program conducted weekly within the high school. Other projects include volunteering at the U.S.S. Salem's Haunted Ship, the Rotary Club's Breakfast with Santa, and the Channel 2 Auction. A booklet is produced each spring that summarizes the chapter's activities for the year.

BEST BUDDIES

Advisors: Mrs. Rosen,
Mr. Pillarella

The purpose of Best Buddies is to provide the opportunity for friendships, by matching “buddy pairs” between mainstream and special education students. Students are given the opportunity to make new friends, enjoy new experiences, and have an impact on each other’s lives.

SPANISH CLUB

Advisor: Ms. Gonzalez

The goal of the Spanish Club is to increase knowledge and interest in the culture of Spanish-speaking countries, as well as to further teach the Spanish language to its members and others who are interested. The club does this through arranging social events such as banquets, where foods of a Spanish or Latino background are served.

GAY / STRAIGHT ALLIANCE

Advisor: Mr. Brown

The Gay/Straight Alliance strives to celebrate diversity, to defuse homophobia and to break down the walls of intolerance and prejudice by educating the students of Randolph High School on gay, lesbian, and bisexual issues. Over the years, GSA has increased its visibility within the school. The GSA meets once a week and welcomes students of any sexual orientation: gay, lesbian, bisexual, or heterosexual.

PEER LEADERS

Advisors: Mr. Sweeney, Mrs. Rosen

Peer Leadership is a program responsible for older high school students interacting with younger students. The goal of the program is to help these younger students learn effective decision making skills by introducing them to high school Peer Leaders who can model positive behaviors, listen impartially, and share experiences in a helpful way. The program consists of three days of training for the Peer Leaders. Following training, Peer Leaders conduct two or three sessions with the younger students. Students are chosen for Peer Leadership roles by recommendation. It is essential that these students exhibit positive behavior both in and outside of school, plus good decision making concerning school work, alcohol and drugs, sexuality and overall citizenship.

BUSINESS CLUB

Advisor: Mr. Boyd

The Business Club provides students with a place to share and explore their interest in the business world. In this club they investigate careers in the various fields of business, become experienced with the stock market, and learn how to start their own business.

ENVIRONMENTAL CLUB

Advisor: Ms. Lyn

The Randolph High School Environmental Club works toward promoting awareness of current environmental issues to the school and community. Its goal is to improve the local and global environment. The Environmental Club encourages respect towards nature and the conservation of our natural resources.

It acknowledges the possible consequences of a world without environmental concern and its fights to accomplish the difficult goal of informing an often indifferent society.

FRENCH CLUB

Advisor: Mr. Fensie

The French Club seeks to advocate French culture throughout the year at Randolph High School. French foods, such as crêpes and bonbons, are sold by the club for funding. Activities ranging from French cultural center trips to culturally responsive parties to discussions on francophone issues are then achieved during the year. Speaking French is not a requirement, as the club seeks to be inclusive of all students who have a fascination for any French culture in the world.

PEP BAND

Advisor: Mr. Berry

The Pep Band is a group of volunteer players who rehearse two afternoons a week during the football season and perform at all the home games. The purpose of the group is to promote school spirit at games and rallies.

S.A.D.D.

**Advisors: Ms. Burke,
Ms. Powers**

Students Against Destructive Decisions is a school based organization dedicated to addressing the issues of underage drinking, impaired driving, drug use, other destructive decisions, and killers of young people. SADD's mission is to provide students with the best prevention and invention tools possible to deal with destructive decisions.
Friends Don't Let Friends Drive Drunk.

INVESTIGATIVE BIBLE DISCUSSION

Advisor: Mrs. Tower

The Investigative Bible Discussion is a structured discussion to introduce students to the Bible. Members discuss not only topics of the Bible, but also issues the world faces today. Although the group uses the Protestant Bible, members are free and encouraged to discuss their own faiths and beliefs, as well as their problems. The discussion group is aimed at teaching students about the Bible and is open to all students regardless of faith.

PEER EDUCATORS

**Advisors: Mrs. Rosen,
Ms. Campbell**

The Peer Educator's program is a joint venture pilot program between Randolph High School and the Norfolk County Sheriff's office. The goal of the program is to provide education on the topics of domestic and teen dating violence. Students are trained to go to the classroom/ school setting to educate other students on these issues.

INTERNATIONAL CULTURAL EXCHANGE

**Advisors: Mr. Miranda,
Ms. Bowen**

The International Cultural Exchange meets to discuss the diversity of cultures at RHS. The group is putting together a book of essays, short stories, poetry, art, and news that expresses the many different cultures from all over the world.

STUDENT COUNCIL

**Advisors: Mr. Powell,
Mr. Letzring**

The Student Council is a student government organization with the members who are elected by popular vote by each candidate's class. In addition to those elected by popular vote, there are members who are appointed to the council due to outstanding leadership qualities. Ex-officio members, such as the class officers, representatives of the school committee, representatives of the Student Advisory Council to the Department of Education, and regional and state officers. The mission of the student council is to represent the student body, to promote spirit within the school, and to perform community service. The members of the student council learn valuable leadership skills from each other that will be useful tools in the future.

ORACLE STAFF

Advisors: Mr. Deady,
Mr. Kaplan, Mrs. Turner

The Oracle, or Randolph High School's yearbook, is a treasured keepsake to all who buy it. To make a yearbook requires much work, though, and a large and dedicated staff is needed to produce it. The staff is divided into two parts: the Technical Staff and the Business Staff. The Technical Staff works for countless hours laying out pages, taking photographs, counting votes, and meeting deadlines. The Business Staff is responsible for collecting advertisements, collecting yearbook payments, and meeting all financial deadlines the yearbook has. All together, to work with the Oracle requires much dedication, responsibility, and, maybe most importantly, time.

2003

Oh! The Places You'll Go!

Congratulations!
Today is your day.
You're off to Great Places!
You're off and away!

You have brains in your head.
You have feet in your shoes
You can steer yourself
any direction you choose.
You're on your own. And you know what you know.
And YOU are the guy who'll decide where to go.
You'll look up and down streets. Look 'em over with care.
About some you will say, "I don't choose to go there."
With your head full of brains and your shoes full of feet,
you're too smart to go down any not-so-good street.

And you may not find any
you'll want to go down.
In that case, of course,
you'll head straight out of town.

It's opener there
in the wide open air.

Out there things can happen
and frequently do
to people as brainy
and footsy as you.

And when things start to happen,
don't worry. Don't stew.
Just go right along.
You'll start happening too.

Off!
THE PLACES YOU'LL GO!

You'll be on your way up!
You'll be seeing great sights!
You'll join the high fliers
who soar to high heights.

You won't lag behind, because you'll have the speed.
You'll pass the whole gang and you'll soon take the lead.
Wherever you fly, you'll be the best of the best.
Wherever you go, you will top all the rest.

Except when you don't
Because, sometimes, you won't.

I'm sorry to say so
but, sadly, it's true
and hang-ups
can happen to you.

You can get all hung up
in a prickle-ly perch.
And your gang will fly on.
You'll be left in a Lurch.

You'll come down from the Lurch
with an unpleasant bump.
And the chances are, then,
that you'll be in a Slump.

And when you're in a Slump,
you're not in for much fun.
Un-slumping yourself
is not easily done.

You will come to a place where the streets are not marked.
Some windows are lighted. But mostly they're darked.
A place you could sprain both your elbow and chin!
Do you dare to stay out? Do you dare to go in?
How much can you lose? How much can you win?

And if you go in, should you turn left or right...
or right-and-three-quarters? Or, maybe, not quite?
Or go around back and sneak in from behind?
Simple it's not, I'm afraid you will find,
for a mind-maker-upper to make up his mind.

You'll get mixed up, of course,
as you already know.
You'll get mixed up
with many strange birds as you go.
So be sure when you step.
Step with care and great tact
and remember that Life's
a Great Balancing Act.
Just never forget to be dexterous and deft.
And never mix up your right foot with your left.

And will you succeed?
Yes! You will, indeed!
(98 and 3 / 4 percent guaranteed.)

KID, YOU'LL MOVE MOUNTAINS!

So...
be your name Buxbaum or Bixby or Bray
or Mordecai Ali Van Allen O'Shea,
you're off to Great Places!
Today is your day!
Your mountain is waiting.
So...get on your way!
